HON. MIKE QUIGLEY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 11, 2010

Mr. QUIGLEY. Madam Speaker, I rise today to recognize and honor the contributions made by the Croatian American Association for enriching the lives of native Croatians and Croatian-Americans alike for the past 20 years.

The Croatian American Association was established in 1990, when it began advocating for the establishment of a sovereign and independent Democratic Republic of Croatia. Its efforts led to public demonstrations in Washington, DC attended by over 50,000 people in support of Croatian democracy. Furthermore, its members have organized rallies throughout America to raise money for the defense of Croatia and to make humanitarian aid available for Croatians living at home and abroad.

The Croatian American Association has also worked tirelessly with the U.S. government in order to help address the concerns of many Croatian-Americans. It has established an office in Washington, DC to help lobby and educate Members of Congress about Croatian history, and the desire for a sovereign Democratic Republic of Croatia. In addition, it has pushed for the inclusion of Croatia into NATO,

the Partnership for Peace, and the European Union.

The Croatian American Association has also worked to establish an Embassy of The Republic of Croatia, and to further provide services to Croatian-Americans by establishing a number of consulates in many major U.S. cities.

Madam Speaker, I ask my colleagues to join me in honoring the Croatian American Association and its members for their 20 years of service as an invaluable partner to Croatians throughout the world, and to wish them many more years of continued success.
